ANN

DIANE + LARRY

Dear Diane,
 I really think
 that you are very pretty & that your boyfriend is very lucky.
 I hope this doesn't hurt
 too much. I hope you do & God bless
 you luck in whatever you do.
 Love Ya
 Mary

Diane,
 It sure has been fun
 having you in history &
 English. Best of luck
 with Larry. I'm sure
 you'll both have all
 the happiness in the
 world.

Love,
 Carol Jay
 Sam
 H

Diane,
 It has been a
 million laughs in
 English with you this year.
 It's so hard to tell the second
 semester. Good luck always,
 Mary Short

Diane
 It has been
 fun knowing you
 this year.
 Love

I hope you do & God bless
 you luck in whatever you do.
 Love Ya
 Mary

DEDICATION

With pride we dedicate the 1964 Alhambran, commemorating its 50th anniversary, to our school's leaders of the past and present. Their tireless efforts, devotion, and foresight through the years have built Alhambra High School on a firm foundation of education—promoting scholarship, leadership, and service. We honor our present principal, Mr. Gilbert L. Strother, for his many contributions to the growth of our school. Our beautiful new buildings and campus are a tribute to his leadership and a challenge to the leaders of tomorrow.

CAMP USP

21 June 1961
 Dear Mr. [unclear]
 I am writing you in much excitement
 to tell you that we have just
 received your letter of the 14th
 and am glad to hear that
 you are interested in the
 project.

Dear,
 It was a blast having
 geometry with you. Hope
 we'll have more classes
 together next year.
 I love you, and all that
 stuff.

Yours always,

Felix Chang

Americans Abroad

Redimus Yacoub, Angela Wanacek and Bill Tully, A.F.S. Students

"Oh no! It can't be!" cried the students.

"The faculty won? Are you sure?" asked astonished students who had not witnessed the event.

What was it that caused this upset on campus? It was the Faculty vs. Varsity Basketball Game, sponsored annually by the American Field Service to raise funds to bring foreign students to Alhambra. The startling fact that the Faculty team had trounced the great Varsity team swept the campus while teachers shouted and joyfully congratulated each other.

Last summer, an outstanding Alhambra High School student, Bill Tully, was our Americans Abroad representative. He stayed with a family in Turkey.

This past year A.H.S. was lucky enough to have two foreign exchange students with them. Lovely and talented, Angela Wanacek visited us from Austria, and Redimus Yacoub visited us from Egypt.

The purpose of Americans Abroad and the American Field Service is to increase understanding and friendship among all people of the earth. This is the aim of the students of Alhambra High School. We sincerely hope that Angela and Redimus have felt our love and kinship toward them and we hope that they will look back on their memories of Alhambra as some of the happiest times of their lives.

The Christmas Spirit

The Christmas tradition was again carried on this year as Moors gave tokens of friendship to the Arabic Gospel Mission in Arizona. As the year came to a close, A.H.S. students were happier, knowing that they had given some lonely, hungry children a memorable Christmas.

To add to the gaiety of Christmas, Santa Menasco drove in from the North Pole to bring tokens of appreciation to certain members of the A.H.S. faculty.

New Gym Jump

The 'Beatles' prepare to make their appearance at the Backwards Dance.

New Gym Jump was the theme of the first student-body dance to be held on campus in seven years. The Spring Backwards Dance was held March 14, in the new boys' gym. The evening's entertainment was provided by the "Mixtures," a popular instrumental group. Intermission was highlighted by a gym dedication, a folk singing group, and a humorous interpretation of the "Beatles."

Movers danced to the music of the "Mixtures" at the first dance held in the new gym

On Mondays at 10 o'clock, a bell is heard throughout A.H.S. which signals the beginning of forty-five minutes of enlightening and very enjoyable entertainment. It is the time for assemblies.

This year the assemblies have been many and varied—from Santa, complete with gifts, to folk singers, to awards.

Enlightening Entertainment

The most exciting assembly of the year saw the crowning of Ms. Spring Sports Joyce McCallum. Her princesses are left to right Nikk Mulvan, Jo Ann Caserio, Linda Jett, and Karen Bodamer.

The second exciting event of the March 9th assembly was the awarding of Los Laureados honors to fifteen outstanding seniors.

Paul "An Evening Of Dance"

10

Moor exponents of the modern dance staged "An Evening of Dance" April 10, 1964, at Mark Keppel auditorium. Over a hundred members of Orchesis and modern dance classes performed some sixteen numbers covering a wide variety of dance levels. All the choreography was done by the dancers themselves under the supervision of Miss Trudy Solomon, dance director. The numbers included modern interpretation, jazz, ballet, and folk dances.

bers included modern interpretation, jazz, ballet, and folk dances.

Cheaper By The Dozen

"Cheaper by the Dozen" a best-seller as a book, and a hilarious hit on the Movie Screen was the S '64 class play this year. The dramatization by Christopher Sergel was based on the best-selling book by Ernestine Gilbreth Carey, and Frank B. Gilbreth Jr. The co-authors recalled the life of the Gilbreth family whose parents decided on a family of twelve children, six boys and six girls.

The cast included nine of the twelve Gilbreth children ranging in age from 17 year old Anne down to the youngest on stage, Jackie. In addition to Anne and Jackie the other Gilbreth children were Ernestine, Martha, Frank, Bill, Lillian, Fred, and Dan. The father was an efficiency expert who put his practices from the factory into operation in his home. Mother was a gracious attractive woman who was also a psychologist.

Others in the cast were kindly Mrs. Fitzgerald, who was devoted to the family; Dr. Burton, the outspoken family doctor; Joe Scales, a sharp teenager the same age as Anne; Miss Brill, a slender, angular, efficient type of woman, and Larry, a good looking boy, also Anne's age. The most important member of the cast was the family dog who was portrayed by Duke, pet dog of one of the Senior Students.

The Senior Play proved to be a real hit as it was when it was presented eleven years ago at A.H.S.

SENIOR PLAY CAST Left to right, David Nelson, Jackie Levine, "Duke", Elizabeth Manzanarez, Linda Horning, Gary Goeringer, Karen Kington, Ray Sessler, Rolond Lanzl, Mimi Schramm, Richard Kamanar, Don Cronk, Donna Ebby, Jack Nester, and Toni Walton.

Important Happenings

Mr. Emore Shipman, Social Science Department head, was one of 322 teachers throughout the country to receive the Freedom's Foundation's annual teacher award.

On December 7, 1963, over 100 Alhambra High School students and faculty attended the commissioning of the USS England. The ship was named in memory of Ensign John C. Eng and World War I hero and graduate of Alhambra High School, who was killed in action at Pearl Harbor.

The students and faculty of AHS joined the rest of the world in mourning the death of the 35th President of the United States, the late President John Fitzgerald Kennedy

Ask not what your country can do for you
but rather what you can do for your country

On March 30, 1964, the new Alhambra High School was officially open for use. This event climaxed five years of construction and many years of planning by the Administration

Future Plans Today

BOARD OF EDUCATION: left to right Row 1: Andrew J. Westerfield, Mrs. Dorothy Mather, Margaret Bishop, Maurice R. Stokesbary. Row 2: Robert F. Gray, Jerome T. Fluster, John H. Clay, Car Van Winkle, Dr. Elmer Ensa

A salute to the Alhambra Board of Education and the Administrative staff! As we celebrate our 50th anniversary, it is most appropriate to express special appreciation to our fine board for its outstanding accomplishments during the year. Such accomplishments are the culmination of many years spent in long range planning for the benefit of Alhambra's educational progress.

The Board can take particular pride in the completion of the new Alhambra High School. With its modern buildings and equipment combined with its streamlined and beautiful campus, Alhambra High offers the community outstanding facilities for secondary and adult education. This is an achievement that would have been impossible without long and devoted hours of planning and work by the members of the Board. Their efforts through the years were frequently met with frustrations and set-backs. Today the Board of

Education can be justifiably proud of our Alhambra High School. The students and citizens of the community are indeed grateful!

To further the growth of our area's educational opportunities, the Board of Education was instrumental in another major accomplishment this year. Through its efforts and campaign to guarantee excellent junior college facilities for high school graduates, the citizens of the Alhambra School District voted to join the Los Angeles Junior College District. Higher education in a wide range of business and professional fields is now available to graduates of our system's three high schools. The Los Angeles Junior College District offers opportunities unlimited on its numerous well-equipped campuses.

To the members of the Board and Administrative staff, the students and community say, "Thank you and Congratulations!"

At The Top

Mr. G. Bert L. Strother Principal

Looking for me here? Or maybe you just need me right now? How about a personal guide? You may not find it on the yellow page, but the students at Arambra High School know where to find it. A man of inspiration, inspiration, and guidance is our principal, Mr. G. Bert L. Strother.

Mr. Strother, interested in and in charge of AHS, the result of many years' experience is a leader. His leadership began in high school where he was a peacemaker and a leader. During his high school years he offered a variety of leadership roles, including being a leader. Moreover, he showed his leadership ability by offering a variety of personal.

After high school, he is going to be a member of Riverdale Junior College where he had an active role. He did not stop there. On he went to the University of Southern California where he received a Master's degree in education.

Mr. Strother began his career as a teacher in a physical education teacher and then became a coach at Mark Keppel. He came to Arambra in 1954 as the Boys' and Girls' Coach. In 1967 he became the Principal of the school.

A dedicated leader, Mr. Strother has served as President of the California Association of Secondary School Administrators and Past President and member for several years of the Alhambra MCA Board of Directors.

This year has been a very important and important year in the history of the school. Mr. Strother has taken the time to talk to many with to help between the school and the community. He has a plan.

Mr. Strother has said that the school has emphasized the importance of the school and the community. He has said that the school has a plan to help the school and the community. He has said that the school has a plan to help the school and the community.

Mr. Strother takes time out to talk informally with students between classes

Active Administrators

Mrs. Elizabeth Luttrell
Assistant Principal — Guidance

We have a globetrotter in our faculty, she is none other than Mrs. Elizabeth Luttrell. To date she has visited England, Scotland, France, Belgium, Holland, Luxembourg, Spain, Switzerland, Italy, Liechtenstein, Austria, Germany, and Greece.

However, this is not the Mrs. Luttrell we here at Alhambra know. Although Mrs. Luttrell obtained her Bachelor and Master of Arts Degrees in English, she is known at A.H.S. not as an English teacher, but as the Assistant Principal in charge of Pupil Personnel.

Some of her past activities here at school have included: Girls Vice Principal, advisor to the A.F.S. committee and advisor to the Student Commission. Today she is tackling such challenging jobs as establishing the data processing system at Alhambra, and supervising the California and Lewis testing programs.

MR. MILLER

From coach to Vice Principal, to Assistant Principal in charge of business and activities; thus goes the A.H.S. career of Mr. Claude L. Miller.

Mr. Miller came to A.H.S. from Mark Keppel as a coach in 1946, and has worked up to his present position which puts him at the head of business and activities. But to give full credit where it is due, we must elaborate on Mr. Miller's duties. He is in charge of the budget and the purchasing of all equipment and supplies for the school. He is the supervisor of clerical staff and is responsible for the work done under him. He is also the advisor to the Commission and the organization.

Mr. Miller is indeed an important link in the great chain of people who help make up Alhambra High School.

Mr. Claude Miller
Assistant Principal —
Activities and Business

MR. MILLS

Mr. J. Leland Mills this year has completed his fourth year as Assistant Principal in charge of Curriculum Instruction at Alhambra.

A former graduate of A.H.S., Mr. Mills taught in Turkey after his graduation from Fresno College.

Mr. Mills came to Alhambra High and taught in the Social Science Department.

He has gained with the years a learning and experience that we can only hope that he will pass on to the people he is helping to educate. He is a man who is dedicated to his work and to the school. He is a man who is a true leader and a true administrator.

Mr. J. Leland Mills

Steering Us Straight

Mr. Boyde Dye
Boys Counselor

THE COUNSELORS

Today the counselor's office is the center of the running efficiency. Though not many students are overly aware of this center of activity, they are truly aware of us. This awareness starts the minute someone begins to enroll at A.H.S. for enrollment—part of the counselor's job is checking attendance. Do you need information concerning your grades, merit score, or required courses? See your counselor. How about occupational guidance or even personal problems; your counselor is always there. It hasn't always been like this. There was a time when there was only one counselor and one registrar at A.H.S. and a 4000 student body. Eventually two more counselors were added to the staff. Each of them had a job assigned to do and followed through throughout the four year period. How things have changed! A.H.S. now has six full time counselors. Each works hard, very hard, trying to help each of us get the most out of high school and to prepare us for the future.

Mr. Irwin Phillips
Counselor

Mr. Jack Mount
Counselor

Miss Gwendolen Reese

A Helping Hand

(Left to right): Mike Tabuara, Kathy Westling, Isobel Nelson and Larry Hobbs made their costumes rented from the P.T.A. Thrift Shop

P.T.A. (THRIFT SHOP)

The Alhambra High School Parent-Teacher Association functions for the benefit of our school and student body.

Not only should the students be learned, but their parents also should be learned in the area of what their child has accomplished, and what learning lies ahead. The Parent-Teacher Association provides for this acquaintance through the Open Houses which take place each year.

The P.T.A. special assembly shows the P.T.A.'s appreciation for the backing which A.H.S. students give to the annual P.T.A. membership drive.

Each year the P.T.A. awards two \$100 scholarships to worthy seniors interested in furthering their education. Students may also borrow money from a

P.T.A. fund, interest free if they are financially in need of aid to complete their education.

The money used for these purposes, as well as welfare, comes partly from the operation of a P.T.A. Thrift Shop. Started in 1932 in order to obtain money desperately needed for welfare, the Thrift Shop has steadily grown. The Thrift Shop which used to be located at 20 South Garfield Avenue, is now located at 11 North First Street. Today, as before, the Thrift Shop has three main functions: it provides for the welfare of school children, it supplies a living wage for those who are handicapped or past their prime and would otherwise be unemployed; it is a source of supply for people of reduced conditions. Because of all of the P.T.A.'s help and effort, we hope the Thrift Shop will be with us for a long time.

WORK

1. The first part of the work is to determine the scope of the problem. This involves a thorough review of the literature and a consultation with the experts in the field. The second part is to develop a plan of action. This involves setting priorities and allocating resources. The third part is to implement the plan. This involves carrying out the tasks and monitoring progress. The fourth part is to evaluate the results. This involves comparing the actual results with the expected results and identifying areas for improvement. The fifth part is to report the findings. This involves writing a report and presenting the results to the relevant stakeholders.

This involves comparing the actual results with the expected results and identifying areas for improvement. The fifth part is to report the findings. This involves writing a report and presenting the results to the relevant stakeholders.

5. The first part of the work is to determine the scope of the problem. This involves a thorough review of the literature and a consultation with the experts in the field. The second part is to develop a plan of action. This involves setting priorities and allocating resources. The third part is to implement the plan. This involves carrying out the tasks and monitoring progress. The fourth part is to evaluate the results. This involves comparing the actual results with the expected results and identifying areas for improvement. The fifth part is to report the findings. This involves writing a report and presenting the results to the relevant stakeholders.

Teachers Timeout

"TEACHERS"

Aside from the many hours a teacher puts in, in one day a large percentage of A.H.S. teachers are engaged in outside activities. The nature of this may range from coaching a football team, advising a Y.M.C.A., service or departmental club, or taking the daring feat of drivers education classes.

It is said that a teacher averages ten hours per day, aside from other activities. This alone shows their dedication to helping students along the road to success both in scholastic and social activities. Many of our teachers are still attending school to broaden their education with the advancing years. Some are helping the needy and giving scholarships to worthy students.

Being specialists because of their constant association with young men and women of high school age,

they are frequently called upon to chaperone special school activities, as they are invaluable towards ending aid and assistance to the success of sponsored events.

They meet in order to discuss their individual travels and special education abroad to allow an exchange of ideas and procedures benefitting their instruction. Aside from all of this, their participation in community activities is a part of their normal life. Membership in churches, scouting, and community fund raising projects make them an important citizen in their neighborhood.

Therefore students, you should appreciate your teachers, because they are constantly striving to improve themselves, which results in an improvement of you.

Always There

CLALLSSE

New Horizons

SENIOR COUNCIL Bottom Row: Rochelle Ramirez, Sandy Solberg, Patty Lieberg, Carol Nassir, Pam Erlinghouser, Donna Pastore Top Row: Phil Burgess, Tom Kondell (president), Rick Salazar, Mr. Hartnett (advisor)

At long last graduation has arrived for the Class of '64. This is the time when members of the exciting, fun-filled year at Arroyo High School will join. To the majority of the graduating student, the most memorable activities are those of their last and most important year, their senior year.

This year has been exciting and full of activities. First, the senior sashes arrived, their steel-gray color adding dignity to the proud leaders that wore them. The long-awaited senior class meetings started to take place with the organization of a free

representative council. Soon thereafter came senior portraits, rapidly followed by the announcements of the members of California Scholarship Federation and members of the senior honor society, Los Laureados. How could seniors possibly forget the selection of cards and announcements, the dance sponsored by the senior class, and the fun of presenting their fantastically successful senior play.

Then towards the end of the year came the thrilling Junior-Senior Prom, the Senior Luncheon where recognition for outstanding achievements was given, and finally the greatest of all senior memories, making it all worth waiting for, graduation itself.

As the graduates of the Class of '64, diplomas in hand, scatter to their individual goals, they can look back at their high school days and be proud of their school, proud of their school, and a little sad that they must say good by to their grand old alma mater—A.H.S.

Although their senior year was full of hard work the seniors still found time for fun

Senior Citizens

As a crowd of well-wishers gathered around an AHS senior coed at the annual March assembly, the girl remarked, "I am so proud and honored. What did I ever do to deserve membership in Los Laureados!"

Actually, the student's reaction was only sincere modesty since seniors begin their climb toward the fourth year honorary society, Los Laureados, in the freshman year. All phases of campus life depicting leadership, such as class councils, Commission, Legislature, Pep Squad, and club work together with qualities of scholarship and citizenship compose the criteria which determined this year's lucky fifteen. Selection of the group was undertaken by three committees. Included in the two students groups were both the Junior Council and senior representatives appointed by the spring Commission of which each submitted a list. The judges of the third committee were faculty members. A student's name had to appear on two of the three lists in order to qualify for the honorary society.

Thus, the one out of every forty seniors selected for Los Laureados may certainly be proud, as the earlier mentioned girl, when the AHS Principal, Gilbert L. Strother, read his name at the March assembly. Amid the third period meeting's screams of joy, surprise, shock and congratulations, the honored students received their Los Laureados pins, a symbol unequal to any other high school honor.

The recipients of the award truly set an example in all areas of student life, whether in leadership, scholarship, or citizenship, for these fifteen are the leaders of the present and the adult citizens of the future.

LOS LAUREADOS: (Left to right) Row 1: Mimi Schramm, Sandy Solberg, Susan Tabulana, Peggy Safranski, Chris Schaeffer, Audrey Ramsey, Patty Lieberg. Row 2: Penny Burger, Jim McCormac, Dave Willis, Bill Tully, Peter Brown, Bill Sasz, Joyce Mossberg, Cathy Lew's.

One To Go

With three years of hard work behind them, the junior class is anxiously awaiting their last, and most important year in high school: their senior year. Already the juniors have shown sound qualities of leadership and are well ready to assume the top role as the leaders of Alhambra High School.

The arrival of class rings in September was the first important event for the juniors this year. A very capable class council was elected in October, and immediately they began work on the many activities the juniors were to have. At the end of the year the class, with the help of the class council, chose their senior sacs.

The junior class was well represented in all phases

of school life. Pep Squad, Legislature, Girls' League, and the California Scholarship Society were just a few of the activities participated in by the members of this year's junior class.

The junior council worked very hard planning an after game dance following one of the basketball games. The council spent most of its time, however, planning the very memorable and successful Junior-Senior Prom, held May 30, at the Huntington-Sheraton Hotel in Pasadena.

The class of '65" now has only one year to go, a year that will be filled with excitement and memories — a year that will go all too quickly.

JUNIOR COUNCIL (left to right: Tim McMahon, Kathy Fries, Ron Smith (pres.), Linda Collins, Rugner Storm-Larson, Linda Jett, Steve Bogad, Barbara Brendt)

Artistic Attitudes

Making costume jewelry is one of many interesting courses offered by the Art Department

We, at Alhambra, enjoy the opportunity of enlivening our artistic talents through the ART DEPARTMENT, headed by Miss Esther Brown. This department provides guidance to Moors in choosing artwork for the "Silver Pen," "Blue and Gold" and the "Alhambran." Our posters, bulletin boards, and throw cards are some of the other services of the Art Department.

Mr. Norcross leads the Stage Design Class in planning interesting and technically sound sets for all of our school plays and assemblies.

As in all departments, there was great excitement this year. The Art Department moved into its new facilities, and Moors now have an even greater opportunity to explore their creative talents.

Working Toward Fitness

A big improvement was attained in the BOY'S PHYSICAL EDUCATION DEPARTMENT this past year with the completion of new gymnasium facilities. For the first time the department was able to include a basketball program in its schedule of activities for the boys at A.H.S.

Included in this year's five-fold program for the fall semester were track, touch football, gymnastics, volley ball, and weight training. In the spring, basketball and softball were substituted for football to round out the calendar of sports to meet fitness standards.

A.H.S. boys happily made use of the spacious new boys gym

Perfection Through Practice

Miss Jeannine Helat explains proper sitting posture to a class of short hand students

The Alhambra BUSINESS EDUCATION DEPARTMENT is one of the busiest departments on campus, having classes that range from first year Typing to Business Law, and Office Machines. This department truly fits in with the world of today with its many changes which are made to provide a student with the best possible education.

If a student starts to pursue a career in Business Education during his first year in high school, he will have a very well-rounded and useful accumulation of facts, figures and techniques at the end of his senior year. These facts, figures and techniques will enable a student to secure employment in one of the better jobs in the field of Business.

Backbone Of Education

English students, as well as all other students, make good use of our fine school library

In the school, English is the basic subject. Without it, students could not be instructed in math and science, art and music, or industrial arts. A person can hardly learn a foreign language without a basic knowledge of his own native tongue.

The teachers of the ENGLISH DEPARTMENT have one of the hardest of all tasks: that of teaching students to communicate with other teachers, their fellow students, and the outside world.

The English Department is also responsible for the creation and production of three school publications each year: The MOOR, the weekly newspaper; the ALHAMBRA, the yearbook; and the SILVER PEN, a collection of student writing.

*Please
Post of book.
Have fun this
summer
J.M.*

Second Floor - Going Up

Sophomore Council (left to right): Jean Wolford, Charles Chong (Pres.), Debbie McCoy, Ginny Ambros

This year's sophomores were an outstanding group with much spirit and enthusiasm. They were among the most active in student government and social activities. The sophomore class council worked hard and long planning the Frosh-Sophomore Basketball Game and the sophomore outing to Disneyland. Their spirit was shown by making these activities very successful ones. The sophomore girls also displayed their talent and spirit in the 1963-64 drill team, the "Moorettes."

The grand spirit was not all that made the class of '66 a distinguished one this year. A good percentage of sophomores attained membership in the California Scholarship Society. Two sophomores, Glen Andrews and Dennis Johnson, proved to be the best

essay writers of the entire student body by winning first and second place respectively in the Writers' Guild Essay Contest. A sophomore musician, Jean Wolford, enjoyed three weeks in Europe along with other members of the All California Orchestra.

Toward the end of the year, excitement reigned high for the sophomore class as sophomore girls attended the service club orientation tea followed by the exciting service club selections. The end of the year also brought the long awaited Pep Squad try-outs, in which the sophomores eagerly participated. Recently the sophomores chose their class rings. This means that they shall soon be upper classmen, and this will be their best achievement.

Tumbling, Track Or Tennis

This year, for the first time, girls were able to participate in a program of tumbling and gymnastics.

This year marked a year of change for the GIRL'S PHYSICAL EDUCATION DEPARTMENT. For the first time a class in tumbling and gymnastics was offered for Moor coeds. This class was designed to teach girls coordination, balance, and flexibility.

The new girl's gym also marked a great change. The modern facilities offered coeds an even greater opportunity to participate in dance, gymnastics, and the many other activities offered by the department.

The biggest change came at the end of the year when Mrs. Helen McGarry, department head, retired after many years of teaching Moor coeds the essentials of physical health and exercise. Her presence will be greatly missed by the girls at A.H.S.

Homemakers Of Tomorrow

If you ever want any cakes baked, dresses sewed, or floors waxed, just call the **HOMEMAKING DEPARTMENT**. Although the girls might not be willing to do all these jobs, they surely won't refuse for lack of knowing how. Why are coeds given courses in homemaking, and why must the girls learn so well? Courses in sewing, cooking, housekeeping, and home nursing are important for every woman and mother to know. These are the skills they will use throughout their lives to make their families and others happy.

The fundamentals of home nursing can be very important to a girl in her future years.

A10 (left to right) Row 1: Steve Jahag, Barbara Ja'sle, Joe Jaramillo, Bob Jason, Carla Johnson, Dennis Johnson, Lauren Johnson. Row 2: Robert Johnson, Tom Jordan, Ray Kamada, Joel Kaplan, Mary Kauter, Roger Kay, Ed Keipert. Technical Training

The purpose of the INDUSTRIAL ARTS DEPARTMENT is to coordinate manual ability and mental capacity. By offering useful training in the industrial fields, this department can prepare students, through practical applications and experience, for vocations immediately after high school, for development in practical hobbies, or for further education in the areas of engineering, electronics, professional drafting and construction.

It is hoped that the students will utilize the opportunities offered by this department and make good application of them in the future.

Words Of The World

The language classrooms of Alhambra High School play a very important role—not only within the school, but within the world around us by increasing our understanding of other nations and cultures.

Whether you "habla Espanol," "parlez Francais," "sprechen Sie Deutsch," or "dicas Latinam," there is a part for you in the wide curriculum offered for students. Language clubs and contests are also offered in order to promote the students' interest, as well as increase his knowledge of the people, culture, and foreign aspects of the adopted tongue.

New advances are being made every day in languages in order to make the study an interesting, and thoroughly profitable one.

A first year Spanish Class, under the supervision of Mr. Leslie Modie makes use of one of the two language labs

On The Rise

Comes the start of a new school year, and a tide of awe-struck faces fills our corridors. The faces are awe-struck, but only for a few days. Soon, as with the rest of the school, they are caught up in a kaleidoscope of school work and activities. They're the bottom rung of a long ladder, but already they've started to climb. Leaders have appeared; spirit has grown; a great class has had its beginning.

This class has started out with an extra feather in its cap. Through what any sophomore will tell you was "beginners' luck," the freshmen blasted the sophs in a bit of friendly competition in the form of a very exciting, though somewhat one-sided, basketball game. To beat upperclassmen is the dream of any class, and the freshmen made this dream a reality.

The road to the top is hard. Some will fall, but many have gone this way before, and many have attained the top. The end to this well-worn road comes fast. One of your four years is gone. In the three which are left, the leaders of the future will be made.

Freshman Council. (left to right) Mrs. Ann Pera, Advisor, Wendy Haws, Phil Rightmer, Linda Durham, Terri Burgess

Row 3: Steve Johnson, Catherine Jones, Kathleen Jones, Mike Jones, Ron E. Jones, Virginia Jones, Linda Jung, Mary Jung, Ruth Kaspin, David Katz, Glenna Keeney.

Musical Notes

This year these Moors proved to be outstanding in their musical fields.

New faces have come to A.H.S. To the MUSIC DEPARTMENT has come Mr. Palmer to fill the place left by Mr. Rex Hogan, and Mr. Robert Sheridan is now the department head.

This year has found much activity music-wise. In addition to providing entertainment at the football games, the band marched in the famous Rose Parade. The orchestra, too, received honors, and again entertained the school at the annual Christmas assembly. For the choirs there was caroling down Main Street, as well as singing at the Christmas assembly.

As long as A.H.S. has a music department, harmony will be in abundance.

Facts And Figures

Today's student finds that a basic background in science and mathematics is invaluable in this atomic age. The SCIENCE - MATHEMATICS DEPARTMENT, to accomodate its scholars, has this year instituted a program offering new approaches to chemistry, and this concept is being considered for further use in the near future.

Mid-year witnessed a retirement announcement made by department head, Mr. Roscoe Davis. He served on the A.H.S. campus for 35 years, and his fine and helpful presence will be keenly missed by both student-body and faculty. Under Mr. Kenneth Weatherholt the Science-Math Department is anticipating another stimulating and active school year.

Mr. John Hartnett's physiology class learns about the structure and function of the human heart

The Past Today

Civics is one of the many classes offered Moors by the Social Science Department.

One of the most important facets of a Moor's academic life is afforded by the SOCIAL SCIENCE DEPARTMENT. This needed knowledge concerns the history and government of America. Through courses such as U.S. History, Civics, International Relations, and World History, students can follow the advancement of civilization through the ages to the problems of the present day world.

The learning received in the SOCIAL SCIENCE DEPARTMENT is important as it is the basis on which future citizens and voters will form opinions which will shape America's future.

Wisdom With Words

Under "Lost Five Pieces" was a play presented by the Speech Department at one of the assemblies this year.

One of the busiest, most interesting departments at A.H.S. is the SPEECH DEPARTMENT. Drama students are helped to overcome self-consciousness and embarrassment while learning what goes into the staging, costuming and presentation of a play. The Speech Department provides entertainment for the public and high school through one act plays and special programs. The climax of each year comes with the Senior Play.

Public speaking is another course offered by this department. Each year Moor debaters excel in speaking tournaments throughout the state. This year two debaters, Bill Tully and Richard Wells, qualified for the National Speech Tournament.

CULUBS

(Faint, illegible handwritten text in the top left corner)

Plans For The Future

For a large portion of the students of A.H.S. interests in studies go farther than just the classroom and homework. For these, departmental clubs have been established. These clubs provide the time to explore subjects which a regular school day does not allow.

Probably the language clubs, those of French, German, Latin, and Spanish, have the largest membership of any of the departmental clubs.—These clubs enjoy annual dinners, eating the food of the countries whose language they are trying to master.

This year a new club has been established at A.H.S., that being the Art Club. Its purpose: to create a greater interest in fine art.

Though new things come, the old remain: For the nurses or teachers of the years to come glimpses of the future come through Future Nurses or F.T.A.—Politicians-to-be get a taste of government through Junior Statesmen of America. Girls interested in sports or physical education will find their interests in the Girls' Athletic Association. For those with a mind for figures, the Math Club creates interest and adds incentive, as does the Forensic Club for debaters.

Be you future business administrator, teacher, nurse, scientist or politician, departmental clubs offer something for you.

SCHOLARSHIP 1 (left to right) Row 1: Lona Lund, Esther Choi, Anita Conway, Jane Griffith, Peggy Safranski, Mimi Schramm, Chris Schaeffe, Joyce Mossberg, Beverly Kitchner, Karen Alenhorp, Rosanna Spagnola, Aileen Los, Cathy Lewis. Knitting, sewing, glueing, cutting, babysitting, serving, ushering, and decorating are just some of the "skills" acquired by the members of service clubs at Alhambra High School.

Each member of a service club is proud to help serve his school and community. Each year at the Christmas assembly the student body sees just a part of the service clubs in action in the form of candy, money, food, and clothes donated for needy children the world over. Other club services are represented by the work done year round, to support and aid programs, people, and projects.

Service clubs are governed by not only their presidents, but by the Inter-Club Council, with

Jeff. Talbot

their presidents and Commissioner of Clubs acting as members. This council works to plan activities and to assign service projects to the different clubs. By doing these things, enthusiasm, school spirit, and a feeling of friendship is developed on and off campus.

The adviser is also important, working along with the officers to give the members a better club. It is the adviser who approves any activities outside of school, and who regulates business meetings held by the members.

No matter how large or small a club is, each member is proud to say that he is a member of a club that acts to serve the world around him.

One of the major groups of clubs at Alhambra High School are the Y.M.C.A. clubs. These clubs are sponsored by the Alhambra Y.M.C.A. with the purpose of uniting Christian young people and developing healthy attitudes, feelings and morals.

The clubs combine service activities with social functions. Their main service function is the support of "World Service," an organization that donates money to needy people all over the world. The clubs raise money through bake sales, car washes, fashion shows and other equally successful methods. On the social side, the Y.M.C.A. clubs sponsor the annual "Sweetheart's Ball," and Mass Induction.

The inter-club activities are planned by the

Prexy Council, to which a representative is sent by each club. Here new ideas are exchanged and each club is kept informed of current activities.

The clubs are open to any sophomore, junior, or senior girl, who maintains a "C" grade average and a merit score of 85. Meetings are usually held biweekly, along with occasional joint meetings at the "Y"

Each Wednesday the girls wear identifying colored sweaters, and sometimes, as this year, a new color is added when a new club is organized.

"Y" clubs offer much to their members, giving the girls a chance to be of service, yet giving them an opportunity for new friends and experiences.

Editing an annual is no easy job as any member of the annual staff well knows by now. An annual isn't just thrown together. Behind every annual are many, many hours of writing, organizing, typing, and editing. This year's 1964 ALHAMBRA was no exception.

Work began the first week of school when the different staffs began forming and continued till the first week of June when the final pages were sent to the printer.

This year's annual staff was faced with the problem of adjusting to a new method of publication. Unlike previous years the ALHAMBRA was printed by offset rather than letterpress. This meant that new layout methods had to be learned and sooner and more difficult deadlines had to be met.

Early in September the first pictures were taken and the first writing assignments were made, but even before the actual writing could begin a theme had to be chosen. This year there was an almost built

in theme, with this annual being A.H.S.'s fiftieth. Once the theme was chosen, writing and editing soon began.

Under the guidance of Mr. Stonebraker, the Literary Staff spent many hours writing, proofreading, and finally rewriting countless pages of copy. They met faithfully every Monday morning to exchange new ideas and receive new assignments.

This year the Business Staff was headed by a business editor who, unlike past years, was selected at the beginning of the year. She, along with Mr. Sitten, Business advisor, and her staff was responsible for the financial part of the annual by selling annuals in November and by securing advertisements from local merchants.

Last, but no means least, is the Art Staff. This annual would not be complete without the artistic artwork done by the small, but very capable group of art students under the advisorship of Miss Esther Brown.

Organization and planning is the theme for any Commission at Alhambra High School, and the fall '63" Commission was no exception.

A major job of the executives was the planning of three dances; the backwards, "Rebel Romp" and the Christmas and homecoming dances. Details had to be worked out concerning bands, entertainment, refreshments, publicity and decorations.

A new mode of boosting school spirit was successfully tried by the fall Commission with the introduction of pep buttons. Pep Council members sold the blue and gold badges as entrance permits to rooting sections at football games. The Commission also boosted spirit before the Alhambra-Mark Keppel football game by selling traditional "Lick Keppel" suckers. The profits went towards the Commission scholarship which was presented to a deserving senior at the end of the year.

The declaration of a dress-up day before Christmas and a hat night at a basketball game added extra interest to school life.

Aiding in the preparation of the new campus for student use, the fall '63" Commission authorized the use of Student Body funds for the purchase of a scoreboard for the new boys' gym. The executives also spent many hours deciding on the right type of furnishings to be used in the new student government room.

In addition to these new ideas, programs, and dances, the Commission performed its usual student government duties. Each morning three commissioners, accompanied by trumpeters, raised the American and California flags above the school on Third Street. Commission girls escorted the football players' dads onto the field at Dads' Night. The Commission very successfully carried out the traditional homecoming festivities and added something new with the declaration of a "Princess Day."

Without a doubt, hard work, organization, and planning was the theme of the 1963 fall Commission.

From the newness of A.H.S. the spring Commission discovered many challenges. The essentials of planning, the honor of serving, and a hope for tradition were all present as the campus and their student leaders moved into new facilities.

Many third periods were used in planning the move. Before campus-life was located in the new buildings, the Commission gave the students an introduction. "The New Gym Jump," the spring Backwards Dance, was held in the new athletic facility; the affair marked the first on-campus social activity in seven years and opened the doors for years of future memories to be recalled from the boys' gym.

Holding a student body office has always been highly looked upon and considered a great honor. However, this semester the leading-fifteen found so much of which to be doubly-proud. A daily Commission practice was the morning flag-raising; the first day on the new campus saw a dedication at this activity. As students, teachers, and administrative personnel looked on, the Commission raised the flag which appeared as a symbol of pride and hope as it rose stiffly in the wind.

Once located in the new Student Government room, activities such as spring dances, Friday night record hops, and student adjustment programs were planned and executed. Also, student leadership conferences were held to introduce the new A.H.S. to the community and surrounding districts.

Being the first Commission in a new campus, itself is a milestone; the variety and enjoyment of high school years are found in the facilities. In the newness the past was not forgotten; the "Court of the Moors," "La Plaza del Moro," and the "El Moro Ballroom" were all preserved from the past as third period moved to the future.

People's Voice

The basis of democracy is the people and their privilege to vote. Through the legislature, students are able to take part in the governing of their school.

The students are represented by a legislator, elected on a semester basis. These legislators are responsible for voicing the opinions, objections, and suggestions of their classmates. In doing this, issues are brought out to the front, where they can be acted upon. Many problems, large and small,

are discussed and, in many cases, solved in the monthly sessions of the Legislature. If these issues are of true importance, they are taken to the Commission and acted upon. Much consideration and planning is given to these "thoughts of the people."

The legislature includes all students, creating a level of understanding and cooperation, so necessary for an enthusiastic school spirit and good-will on campus.

GIRLS' LEAGUE BOARD (left to right) Row 1: Rosanne Scalzi, Barbara Brandt, Linda Wheeler, Linda Collins, Maryann Strebole. **Row 2:** Kathy Fries, Betty Ferguson, Chris Schaeffer, Joann Cascio, Sheila Ragdale, Cheri Klein. **Row 3:** Ruth Sloan, Angie Wenecak, Krista Schmidt, Cheryl Tiegs, Cathy Roman, Janie Comer, Roberta Brown.

What organization benefits the entire Student Body with its activities? Every girl at A.H.S. is a member. Surely you don't need more hints. Oh, all right, they sponsor a Tea for Freshman girls each year, to welcome them to the school. Another annual activity is the Senior Girls Tea honoring girls of the graduating class.

More hints? Remember that great assembly in May just for girls? One like that is sponsored each year by the group I'm talking about. One more hint — at Christmastime the organization sponsored a "sock drive" for the Navajos using the motto "Help Stamp Out Cold Feet." Yes, of course, it's the Girls'

League. What! You're on the Girls' League Board? So you knew what I was talking about all the time! Yes, yes, I know about the other Girls' League activities. For instance the "Girl of the Month Award." Each month a girl who is judged outstanding in leadership, scholarship, friendliness and service by the Girls' League Board is made "Girl of the Month."

Some deserving girl, each year, gets a scholarship from the Girls' League. The money is earned by the sale of chocolate footballs in the fall. What? I've left out one of the most important things? Oh, you must mean the Girls' League Creed Award. The one presented each semester to the girl who exemplifies the standards of the League as expressed in the Creed.

He's Masculinity

Success and accomplishment of goals was attained this year by the Boys' Federation to which every male student at Alhambra is automatically a member. Though in the past the Federation has just been a name and not an active organization, this year both chief executive officers set new goals for the 1964 Boys' Federation.

With the leadership of the two presidents and Mr. Claude L. Miller, adviser, the Federation sponsored for the first time in many years an after-game dance following a basketball game between the AHS faculty and the Harlem Stars. The annual Federation assembly was another big success with Abe Woodsen giving a very worthwhile speech. A new contest

sponsored by the Federation, the "Best Dressed Boy on the Campus," was the end product of imaginative planning by the executive board.

Continuing a long time custom, the Boys' Federation selected a "Boy of the Month," whose picture and services to the school appeared in the MOOR and on the cafeteria bulletin board. This selection is made by the Commissioner of Boys and two student representatives from each class that are on the Federation.

With the passage of each year, this organization nears the ultimate goal of getting more boys at A.H.S to participate in school life and activities.

The Power of Speech

DISTINGUISHED SPEAKERS (left to right)
Dave Willis Bill Tutty Harold Shrader Richard
Wells.

If, as Emerson said, "speech is power," then the AHS debate squad is probably one of the most potent forces on campus. If not, it proved once again, though, that it certainly is the most consistently successful activity. The successes of the squad as a whole have been matched only by the outstanding performances of the individual speakers. Ostensibly, debate is an activity organized solely for competitive speech, but more importantly it aids individuals in building character, poise and intelligence. Of course, whatever the end, the means are often difficult — countless hours of researching for evidence, writing and memorizing speeches. This in itself should give ample reassurance that teenagers are dedicated to something more than next Friday night or the latest "top 40."

The AHS debate squad takes satisfaction, too, in knowing that its accomplishments are felt not only at school but throughout the state and even on the national level. Individual speakers were especially active again this year in promoting good public rela-

tions when they entered speech contests sponsored by local Lions Club and American Legion groups. They participated in debate tournaments from nearby L. A. State to Stanford University. For their efforts debaters were awarded dozens of trophies and certificates, which were only the outward and visible signs of a job well done.

What is the driving force behind all this success? What distinguishes our debate program from those of other schools in Southern California? Any debater will tell you that it is our debate coach, Mr. Anton Hagglund. Each time an individual speaker is awarded a trophy it is a sign of his own excellence. But each one also shows the skill of Mr. Hagglund. His teaching, counsel and advice, his many extra hours devoted to the activity have made the difference.

Above all, perhaps, AHS debaters want others to understand that the dedication to debate transcends the level of personal recognition to something much more noble — service to the school.

Adviser Mr. Ted Tajima. Editors Audrey Ramsey and Gary Benjamin.

Moors can beam with pride again this year at the MOOR, Alhambra High's weekly publication, which has again ranked among the top high school papers in the nation.

Many hours are spent by MOOR staff members each week obtaining interviews with faculty and students, selling advertising, and writing their stories in order to put out a superior paper every Tuesday.

Traditionally many AHS journalists enter local and Southern California writing contests sponsored by national organizations, and as in the past, this year MOOR reporters excelled in their writing categories at these tournaments. These same journalistic talents appear each week in the MOOR. The paper has particularly emphasized student editorials and letters to the editor which deal with campus and world problems.

Behind these journalism students, putting the MOOR where it is today, is Mr. Ted Tajima, MOOR adviser, who has been the driving force of the paper for the past 15 years.

Understanding and general kindness can possibly be used to express the feelings his students have for this devoted man who gives freely of his time. Without "T's" willingness and experienced advice the MOOR would not be the outstanding high school paper that it is today.

Pigskin vs. Gridiron

The Patrickmen opened their season with the always tough San Gabriel Matadors. After 48 minutes of a top defensive game, both teams were right back where they started from, 0-0.

The following week Alhambra fell victim to the Foothill League champs, Pasadena, 20-7. "Bread and butter" halfback Mike Campbell could muster the only Moor touchdown.

Pandemonium prevailed the next week as Alan Reese, Campbell, Ron Cooper, Mike Blower, Kent Kasten and Frank Severy teamed up to chalk up seven touchdowns and scalp cross-town rival Mark Keppel, 44-0. Alhambra's combined running and passing attack netted 676 yards while the tough line held the Aztecs to 71 yards.

The Blue and Gold made it two in a row as they ran up a 32-0 score over Arcadia. The Apaches' Greg Houghton, PL "Back of the Year", was held to a mere 28 yards, due to the fine defensive work of All-CIF tackle Tom Kendall.

Alhambra's "Pacific League Express" continued their flawless performance against Monrovia as the Moor scatbacks scored a touchdown in each quarter to blank the Wildcats, 25-0.

During the next two weeks, Alhambra saw their first place standing and title hopes disappear as Montebello blanked the Moors 14-0, while Whittier battled the proud Moors to a 6-6 tie.

An afternoon homecoming crowd at California State College at Los Angeles saw Reese and Cooper's combined talents bomb Burbank 19-2, in a non-league contest. Watching the Moors out run and out pass the Bulldogs was Homecoming Queen Margie Lyden and her court.

The close of the season came as a disheartening blow as El Monte plodded their way through a rain-soaked field to a 21-0 victory over the Blue and Gold.

Harriers Harvest Title

CROSS COUNTRY (left to right) Row 1: Charles Offenhauser, Bob Espinoza, John Grimes, Jim Drake, Mike Dwyer, Paul Loizeaux, Joe Mendoza, Steve Dwyer, Bob Phan, and Bill Scruggs. Row 2: Al McCreary, Rudi Hennings, Tony Bruno, Dennis Tuckosh, Joe Bruno, Dennis Johnson, Bob Archer, John Scruggs, ~~Don Lewis~~, and Ron Pearne. Row 3: Jerry Erickson, Mike Wilbur, Al Trujillo, Rich Wright, Ron Heacock, John Robertson, Paul Bonani, Dave Cunningham, Dave Lamkin, Charles Chong, and Coach Higgins.

For the second year in a row an AHS cross country team captured a Pacific League championship, as the frosh-soph harriers went undefeated in league competition. Last year the varsity pulled the trick.

The Moor varsity finished the season with a 5-1 record, placing second in the league, while the junior varsity won only one meet in six contests.

Alhambra opened the league season, making a clean sweep of Mark Keppel. In their next meet the varsity and frosh-soph teams were victorious over Arcadia. Dennis Tuckosh set his second course record in as many weeks with a clocking of 10 minutes flat.

Coach Bill Higgins' squads continued their flawless running as they ran past Monrovia and Montebello.

The Moor varsity harriers lost their only league meet to Whittier the following week, 30-25 (low score wins). Before the two squads met, neither school had lost a meet. The Cardinals went on to take the varsity crown.

The Blue and Gold closed out the season by dropping El Monte, even without their ace runners Tuckosh and Tony Bruno.

Throughout most of the season Tuckosh and Bruno ran one-two, respectively, for the Moors. In the frosh-soph division Bobby Phang, Paul Bonani, and Mike Wilbur were the top runners for the PL champs.

Seven returning varsity lettermen, including Tuckosh and Bruno, along with 12 lettermen from the other squads will pose a big threat to league competitors next fall.

Sharpshooters

In pre-season tournaments, Alhambra's varsity cagers fared well winning two trophies. After taking a fourth place in the rugged Arroyo Tourney, the spirited Moors copped the consolation trophy in the Beverly Hills Tournament and placed star forward Steve Ebey on the first team.

The Moors opened the official Pacific League season by winning their first three games. Falling prey to Coach Chuck Wiese's roundballers were Montebello, 80-71, Monrovia, 66-60 and Whittier, 71-68.

During the next two weeks Alhambra went into a tail spin, losing three of their four games, among them the heart-breaking loss to the eventual league champs, Mark Keppel, 72-67.

The Moors, however, were not to be stopped, as they came back to topple Monrovia and Arcadia for the second time in league play. In the season's finale, Keppel's CIF bound Azetcs cut down the Blue and Gold 86-72, and evened out Alhambra's record to 6-6, placing the Moors in fourth place behind Keppel, El Monte and Montebello.

Individually speaking, senior Steve Ebey averaged an amazing 24.8 points per game in league play. Ebey's high scoring mark was tops on the team and in the league and earned him a first string position on the All-Pacific League team and the "Most Valuable Player" award from the Alhambra team. The explosive forward also copped third team honors on the All-CIF basketball team.

Another standout this year was center Jack Nester, whose 19.2 point average was second in the league. Jack also earned a place on the PL First Team. He was voted the most "Inspirational Player" award.

Record Breakers

Alhambra's blazing cindermen, combining speed, talent, and ability raced through the torrid Pacific League this spring to a second place finish behind Arcadia.

Coached by the able Chuck McFate, the Moor tracksters finished the season with a 6-2 mark, and a 5-1 league record.

Many outstanding performances highlighted the season for the Moor thincads.

Junior Ron Cooper went undefeated in running events in dual meet competition all year with the exception of the Arcadia meet. Running in the 100 and 220 yard dashes, or the 880 relay team, and competing in the broad jump, Cooper was the foundation for the Blue and Gold performances.

Miler Dennis Tuckosh broke his own school record of 4:26.0 in the mile run which he set last year, with a clocking of 4:24.7. The Moor distance runner also set a new Pasadena Games record in the cee 1320 yard run.

Another record breaking performance which ended up in a new school record was turned in by Clark Chelsey in the shot put. Chelsey, who lost only once in dual meets, bested the long standing school mark of 55 ft. 1/4 in. with a toss of 55 ft. 5 1/8 in.

Alhambra's speedy 880 relay team went undefeated throughout the season. Regular members were Mike Eisen, Mike Campbell, Paul Bonani or Greg Seneff, and Cooper.

Next spring Coach McFate will be greeting a host of returning lettermen from all squads and should finish just as high or even higher in the PL standings.

VARSITY TRACK (left to right) Row 1: Greg Seneff, Mike Gordon, Ron Cooper, Dennis Tuckosh, Paul Farinella, Mike Blower, Bill Scruggs, Ron Lewis, Glen Gowin, and Clark Chelsey Row 2: Joe Helfrich, Phil Rightmer, Sam Bustillos, Louie Gargaro, Robert Espinoza, Tony Bruno, Ron Hearne, Bob Stender, Henry Wolf, Frank Severy, and Paul Bonani Row 3: Frank Mascia, Ron Heacock, Bill Sasz, Cam McConnell, Tim McMahon, Gregg Weeks, Mike Eisen (Capt.), John Hawk, Randy Raus, Larry Gorfine, Steve Catamano, and Mike Dwyer

Row 3: Joe Blackstock, Al Trujillo, Dave Hughes, Warren Elliott, Jack Levy, Scott Bennett, Jim Drake, John Patievich, and Mark Tetert.

CEE TRACK (left to right) Row 1: Ken Brissey, Steve Dwyer, Augie Carillo, Tom Lorenzen, C. K. Wong, Jim Harte, Art ~~Douglass~~ and Greg Smithy. Row 2: John Saranto, Steve Cuabra, Rudy Hennings, Tom Sanders, ~~Don Lewis~~, Scott Sasz, Joe Fred Fox, Charles Offenhauser, and Jim Lawson. Row 3: Richard Gates, Don Albrecht, Mike Barnett, Bill Hayes, John Grimes, Jay Neal, Ron Pearne, Mike Manlove, Bob Jason, Jim Caver, and Jim Jannard.

Co-Ordination Plus

GYMNASTICS (left to right) Row 1: Dan Renaud, Jeff Tobes, Bill Kirk, Bob Rosecrans, Lorenzo Tatone, David Olson, Ed Almanzo, Nestor Lopez, and Malcolm Bieto. Row 2: Larry Lacett, Troy Wolze, Ron Renfro, Jim Jernigan, John Robertson, Erick Reed, Mike Walter, Bill Adams, Barry Pfaff and Coach Keathley

Our gymnastics team is an important part of our athletic program, but unfortunately, it is one of the forgotten Spring Sports. Lack of support; inexperience and lack of gymnasts; and inadequate facilities has lead to the back sliding of the team this year. Although this is Coach Phil Keathley's first year at coaching the AHS gym team, he is doing a terrific job in lining up for next year.

The inexperience of the "young" squad and the loss of many of the teams top point winners affected the teams output this year. But the anticipation of the use of the new facilities in the new gym can only lead to a star team next year.

Gymnastics is a sport for individual participation. In a gym meet there are eight different events. The rope climb depends on the speed of the climber. The other events are judged on good form, execution of the routine, and the difficulty of the stunts. Free exercise is an example of good form and control. The boys work out their own stunts and put them in a pleasing order for performance.

Coordination is a quality that boys working out on the side horse must possess. The long horse takes great jumping skill. The horizontal bars are especially difficult because there are two bars to watch out for while moving around.

Then comes the rings, an event which demands great strength. Lastly there is tumbling, an event in which the performer has to depend on his skill and the mats under him.

On each routine performed, a total of 10 points can be earned. Judging is on form, difficulty of stunts, coordination, and style. Boys who earn points can apply these towards their letter, 15 points being needed.

Balance and coordination are displayed in a handstand by Bob Rosserani

Mike Walters demonstrates body control and strength while performing on the long horse

A great amount of physical strength must be applied on the still rings, as demonstrated by Ron Renfro.

Iron Men

Varsity Golf (left to right) Tom Wilmshurst, John Collins, David Kavanaugh, Bob Stombaugh, Jim Whitaker and Coach Smartt

Our golfers suffered a hard luck season this year, dropping all their league matches. Their only consolation were a pair of victories over Arroyo $24\frac{1}{2}$ to $5\frac{1}{2}$, and $17\frac{1}{2}$ to $15\frac{1}{2}$ a win over San Marino, and defeating an AHS faculty, 16-14 and 21-9.

Guided by Mr. George Smartt, the Moor linksmen sported two returning lettermen, senior Bob Stombaugh and junior John Collins. Completing the varsity squad were Jim Whitaker, David Kavanaugh, and Tom Wilmshurst. The latter two are juniors. The other players make up an informal J.V.

Moor golfers engage in practice sessions Monday through Thursday at the Almansor Municipal Golf Course, their home link. The end of the season is culminated with the CIF championships.

Golf can be termed as a real individualist sport. Squad members must realize their own mistakes and try to improve.

As AHS players have discovered, golf can be one of the most frustrating and yet one of the most rewarding of all sports.

Varsity Tennis (left to right) Row one: Dick Buntin, Pat Heeb, Richard Rice, Dave Meister, and Richard Brinkley Row two: Coach Wiese, Dave Lemkin, Dale Cristol, Bob Phang, Gary Hobb, and Bruce Cristol

"Love-fifteen," "Deuce," "Ace," "Set," "Match," "Service!" are some of the grand old sounds in that racket swinging game of tennis.

Alhambra netters swatted their way through some rough matches during the season and came home winners in many of them.

The racket wizzards are looking forward to a better season next year since they are losing only two seniors and hope to be settled in new courts at Alhambra.

The sport is age-old and one which develops every part of the body. It can be played after high school and college, and throughout life, as witnessed by many elderly players indulging in social tennis. It is easily organized, needing only two players.

Unfortunately, past AHS teams have suffered from lack of student body support and many matches are played without viewers. But a pick up is hoped after the new school courts are installed.

Although tennis is not a yelling sport, but a tension builder, the support is still needed.

Yer Out!

Row three: Coach Menasco, Steve Ebey, Greg Baird, Tim Washburn, Jack Clark, Brent Nilson, Gene Castro, and Doug Richards (Mgr.)

Moor batsmen battled all the way this spring to a 7-8 season mark before the final two games of the season.

The Moor "stick swingers" started out the pre-season winning two contests and dropping three. Falling victims to the Moors were John Muir, 4-2, and Temple City, 5-2.

In their first league competition against arch rival Mark Keppel, the Moors shutout the Aztecs, 1-0, on the one-hit pitching of Jack Clark.

Costly errors plagued the Blue and Gold in their next four league encounters, dropping contests to Montebello 8-1, Monrovia 4-3, Whittier 5-4, and El Monte 4-1.

It took another fine performance by Clark, along with a four run sixth inning, for the Moors to break the four game losing streak, topping tough Arcadia, 4-2.

Keppel bounced back in the next battle to best Alhambra 7-2, while the Oilers made it two in a row over the Moors, 8-5.

Paced by the three-hit pitching of Tim Washburn and the home run hitting of Bill Leon, Alhambra obliterated Monrovia, 10-0. Coach Emmett Menasco's horsehidors put together another fine performance in their next outing to subdue co-PL leaders, Whittier, 3-0.

Leading the Moors with the wood was Steve Ebey with a .364 batting average. Second was Jim Valdes, hitting at a .357 clip. Clark was tops on the pitching mound with four victories. Washburn was second, notching two wins.

JAYVEE BASEBALL (left to right) Row 1: Vic Weatherly, Jack Lev tan, Jeff Morris, Bill Haughton, John Zanotti, Dennis Scott, John Craig, and Ralph Dartt. Row 2: Coach Lawhorn, Dick Barnes, Brent Stirling, Mike Morgan, Steve Young, Steve Harrison, Scott Gibson, Richard Stan gte, and Tom Seuber

FRESHMAN BASEBALL (left to right) Row 1 Gregory Lane, Larry Ca ccho, Manue Oca, Scott Larson, Wayne L twin, William Jamieson, and Tom Mang one. Row 2 Coach Patrick A. Jennings, Richard Bancroft, Don Gardner, Ruben Quezada, Joseph Hahn, Jim Meredith, and David Boydston (Mgr)

Physically Fit

G.A.A. OFFICERS (left to right) Joan Elliott, Linda McNaughton, Roberta Brown Pres., and Cyndy Huff

"Hurry Jane. You are coming to G.A.A. with me today, aren't you?"

"Well, I'm not sure. Maybe I should wait until an open meeting."

"Of course G.A.A. has open meetings at the beginning of each year just as other clubs, but girls are free to join anytime. Even freshmen are eligible for membership. The only limiting requirements are skill and a liking for sports. It's a wonderful chance for girls interested in sports to meet others who share their interest."

"Just exactly what does the G.A.A. do?"

"We meet regularly to practice our skills for inter-school playdays. Such activity offers a wonderful opportunity for competition and helps to teach true sportsmanship, leadership, and the value of physical fitness which are our goals."

"Are members required to take part in all sports?"

"Oh, no; but when a member does go out for a sport she earns points."

"Points, what for?"

Each girl earns points for taking part in G.A.A. activities, such as participation in playdays, attendance, and officiating at boys meets. At the end of each year, an Awards Dinner is held. According to the number of points she has earned, a girl may be eligible for an emblem, pins for a sweater and finally stars.

G.A.A. is a club for girls who like sports and competition, and who want to improve their ability. It offers every girl the opportunity to make new friends and the chance to compete in outdoor games.

"Are you coming?"

"Of course!"

Many Thanks

As Editor of the 1964 Alhambran, I was faced with the tremendous task of editing Alhambra High School's 50th annual. This was by no means an easy task, but it was made a great deal easier by the many people, without whose help this annual would not have been published.

Because the annual is a student publication, most of the work was done by the students themselves. I wish to thank: the literary staff for the hours they spent writing and rewriting countless pages of copy; Isobel Nelson, Business Editor and her staff, Linda Tromble, Art Editor and her staff; and Gary Benjamin, Sports Editor. May I also express my appreciation to the respective advisors of these staffs: Mr. Stonebraker, Mr. Sitton, and Miss Brown.

I want to express my sincere thanks to the faculty and administration: Mr. Miller for his understanding and co-operation; Mrs. Trayner and Mrs. Fenske in the Activities Office for taking care of all the details such as typing picture schedules and writing me detention slips; my teachers, especially Miss Horchner, for excusing me from class for annual business; and all the other members of the faculty for their help in scheduling pictures and excusing students from class for picture appointments.

A well-deserved "thank you" goes to: Tony Loya, Gary Roberts, and Anthony Loya Studio for supplying all the pictures for the 1964 Alhambran; Jack Cannicott and L. A. Engraving, publishers of the Alhambran; Bill Retchin, S. K. Smith Company; and all the local merchants, whose interest in our youth made possible the publication of this annual.

Another year has come to an end, and another Alhambran has been published. I sincerely hope this annual will help recall many pleasant memories for the students and faculty of A.H.S.

Sincerely,
Susan Tabulara, Editor

*I've been
wishing you
you'll have
fun next year
it many more
you succeed*

Gloria

*It's been work, but we
too in Alhambran, don't it? I'm
glad to get to know you and
I hope we'll see each other
next year. Love
Gloria*

*Always stay
young in the
heart*

*one
hundred
thousand
times*

Handwritten text in the top left corner, possibly a date or address, including the word "April".

Main body of handwritten text, appearing to be a letter or a series of notes, written in a cursive style.

Handwritten text in the bottom right corner, including the name "高杉恒生" (Takasugi Tōsei).

Diane,
During the
time that I had
gotten to know you
its been so tough. Helping
you in Spain was pretty
tuff and funny at the same
time. Dr. Baker was a pretty
cool teacher and although he
was boring, I liked him. I hope
that you have good luck with Larry
and with every thing else you do. I hope
I see you sometime this summer.
Love ya,
Linda

Diane
Been nice knowing
you. Hope you are
happy.
Dana Palmer

Diane,
You're really a sweet girl.
Just please stay that way and
you'll be about the greatest at AHS
Best of luck in the future years and
have a great time this summer. God Bless You.
Scott S

Scott S
Diane
You are a
sweet girl
and I hope
you have a
great time
this summer.
Love ya,
Scott S

HAPPY ANNIVERSARY
